

Traditional Bowhunters of Maryland Purposes and Objectives

The purpose of the Traditional Bowhunters of Maryland shall be to:

1. Provide fraternalism and camaraderie for those engaged in the ancient and honorable art of bowhunting with traditional bowhunting equipment.
2. Recognizing the advantages and disadvantages of man's technological and mechanical progress. It shall be the objective of the TBM to promote a valuable part of man's natural and cultural history thereby *preserving the past for the benefit of the future.*
3. While the TBM recognizes the issues that threaten the future of bowhunting and encourages its members to support organizations working to protect bowhunting, it shall not be the purpose of the TBM to act on a political level, as its sole purpose is that of providing fellowship to those who choose to pursue a traditional bowhunting lifestyle. I am in full accord with the constitution and bylaws of the Traditional Bowhunters of Maryland and hereby apply for membership in the Traditional Bowhunters of
